

GORCHMYNION

COMMANDS

I greu gorchymyn, rydyn ni'n defnyddio bôn y ferf, fel ar gyfer yr amser gorffennol.
To create a command, we'll be using the root of the verb as we do for the past tense.

Dyma'r terfyniadau er mwyn creu gorchymynion.

-a – wrth siarad ag un person

-wch – wrth siarad â mwy nag un person neu wrth ddangos parch.

Cofiwch fod gorchymynion yn achosi treigladau meddal.

These are the endings we'll need to create commands.

-a – when speaking to one person

-wch – when speaking to more than one person or when showing respect

Remember that commands cause a soft mutation.
